

CDDC YOUTH CONVENTION

LIMITLESS

MATTHEW 19 : 26

NOVEMBER 23 - 25, 2011

DENVER, CO

Dear Pastors, Youth Leaders and Youth,

"The name of the Lord is our strong tower..." Prov. 18:10. God has been faithful and our strong tower within our youth department. God moved greatly in our youth events that took place over the summer, and we expect even a greater move of God at Youth Convention.

We are excited because Youth Convention is almost here! Youth Convention will be held November 23rd, 24th, 25th, 2011 and our theme is "LIMITLESS." Our convention will be at the Hyatt Hotel in Downtown Denver. Register by November 1st and pay only \$65 and receive a registration gift. Registrations received after November 1st and walk up registrations will be \$75. Youth Leaders, will you help us with your support and prayers as we are asking God for 2000 youth to attend our Youth Convention. Our special speaker this year will be JR Rodriguez from Houston, Texas. We also have Group 1 Crew who will be in concert at this year's convention!

Our District Fine Arts Festival will take place Thursday afternoon, November 24th, in the ballroom of the Hyatt Hotel. Remember to bring your pledge money for our 2011 STL service. We plan to bless one of our missionaries during the STL Service.

To receive our discounted price of \$80 a night for rooms at the Hyatt Hotel for Convention,

reservations must be made by November 7th, 2011. The phone number to make reservations for the Hyatt Hotel is 1-888-421-1442; inform them you are with the CDDC A/G Youth Convention. Please remember Youth Convention is a closed event, no one may attend night services or any sessions unless they have paid the registration fee. For more information or to download registration forms or convention posters please visit our website at www.cddcyouth.com.

We believe God is moving among our youth in a powerful and dynamic way. Please continue to pray for our youth as they change the world one life at a time.

Remember, we are limitless with the power of God!

"Jesus looked at them and said, 'With man this is impossible, but with God all things are possible.'"

DAVID & NORMA GUAJARDO
CDDC DYD

JR Rodríguez Speaker

Rev. Eleazar Rodriguez. Jr “aka JR” was born in Youngstown, Ohio in 1962 where his parents were pastors in an Assembly of God Church. He felt a strong calling from God at an early age, and at the age of fifteen went to a bible college in Mexico and graduated in 1979.

In 1981, he became a minister in the Assemblies of God General Council. He has served as an associate pastor and youth pastor. In 1988 he was elected to serve as the District Youth Director for Gulf Latin American District of the Assemblies of God (GLAD) which included four states; Oklahoma, Louisiana, Arkansas and Texas. As he served as the District Youth Director many doors were opened for him to speak. JR ministered at youth and leadership conferences in Mexico, Central America, South America as well as the United States.

In 1993 he resigned as District Youth Director to be the pastor at Templo Aposento Alto in Houston, Texas in which he is still pastoring.

JR and his wife Patsy reside in Houston, Texas with their two children Eleazar III and Joseph Ryan.

Isaac Olivarez CDDC Missionary

Isaac Olivarez has established a new ministry in Downtown Denver called Urban Outreach.

Urban Outreach is a ministry that believes that God's light shines brightest where it is the darkest. For that reason, Urban Outreach goes into the worst area of the city and begins ministry in the community. Isaac and Jaime have launced an Urban Outreach church that brings the gospel to the toughest streets in Denver.

Isaac will be sharing his heart and compassion regarding Urban Outreach and his ministry with us during convention. CDDC youth ministry will be supporting Isaac and his ministry in the upcoming year.

GROUP 1 CREW In Concert

A self-professed entertainer, a pop diva, and a bona fide producer: that's the makeup of breakout urban sensation Group 1 Crew, three everyday Latinos who rose above their circumstances and the middle-of-the-road to become one of the most exciting aggregates in faith-based music.

Ordinary Dreamers, the trio's second album for Fervent Records, shattered any and all preconceptions created by their out-of-the-box style. Dove-winners, Group 1 Crew, has positioned themselves as one of the most unordinary offerings of the moment—an amalgam of rhythm and rhyme that takes the best of urban pop and hip-hop and turns them upside down.

Ruben Guajardo III

Praise and Worship

This year's worship will be led by Ruben A. Guajardo III and a team of vocalists and musicians from Albuquerque, New Mexico and other parts of the Country. The team has a passion for worship and for reaching the heart of God in public gatherings creating an appropriate atmosphere for the Holy Spirit to move as He wills. Ruben A. Guajardo III currently serves as the Creative Arts Pastor and Minister of Music at Casa Del Rey in Albuquerque, NM. He ministers at conferences, conventions, and camps all over the United States and in other parts of the world. He feels that this year's CDDC Youth Convention will be one of the best yet and encourages you to open your hearts, free yourselves in praise and worship, and receive all that God has for you this year!

CDDC Speed the Light

I am writing to congratulate all the Youth ministries and to challenge you as our STL (Speed the Light) coordinator. First of all thank you for all your dedication to the young people, and thanks to the work and giving of our youth, without them we would not have obtain the results we had these past few years. Our STL giving as a District has once again been great as in past years. Our giving for 2010 was \$39,741.93, this is AMAZING... I truly believe that we can continue to out give our previous years if we continue to show our young people the NEED of our missionaries' and give them the opportunity to meet that need.

This year's Convention will be an amazing moment that will motivate and challenge our students not only to love missions but to see the true impact of their giving!! They will see how one young man that goes beyond his limit can inspire a whole new generation to surpass their own limits and be LIMITLESS.

From now until then please motivate your youth to come ready to receive, give, and to GO farther then ever before. I believe that this year's Convention will be the greatest convention yet!

Remember our STL Bike Challenge:
We are challenging YOU and the YOUTH of our district to ride a combined 1570 miles on their bikes. Why 1570? There are 1570 miles that cover our district from New Mexico to Idaho. The money raised from this bike challenge will help fund all of our STL missionary projects and our "Kindles for Cuba" project. For more information and for forms go to :

AIM Missions Trip

All AIM trips are a coordinated effort between students, leaders, missionaries, and churches. Many students participate in these trips each year. Our goal is to see every student be able to go on an AIM trip before they graduate high school. To this end, we are continuing to develop a core

AIM Affiliate network which will include other short-term missions ministries that have a like-minded mission. We are also continuing to develop relevant resources and opportunities for all local churches to utilize.

CDDC Previous AIMS trips include Washington DC, Panama, and the L.A Dream Center. We are planning 2 trips for the summer of 2012. One will be abroad and the other will be within the United States. The locations and times will be announced during convention!

Youth Alive Campus Ministries

Youth Alive is a multi-faceted strategy that bring Jesus Christ, the message of Hope, to our school campuses. Youth Alive can impact a campus through prayer, empowerment, networking, and outreach.

It is a student-led and adult-supported ministry. Youth Alive provides students with the means and support needed to reach their friends and classmates with the gospel.

Be ready as we will issue a challenge at convention to all students that will change schools in our communities. What is this challenge? ... Make sure you attend convention 2011 to find out!
