

Dear Pastors and Youth Pastors,

I am writing to congratulate all the Youth ministries and to challenge you as our STL (Speed the Light) coordinator. First of all thank you for all your dedication to the young people, and thanks to our youth for their work and giving, without them we would not have achieved the results we had these past few years. Our STL giving as a District has once again superseded the past years. Our giving for 2009 was \$44,569.84 this is AMAZING... I truly believe that we can continue to out give our previous years if we continue to show our young people the NEED of our missionaries' and give them the opportunity to meet that need.

This year Pastor David and myself would like to wrap up our 2010 Convention with an awesome surprise for one of our Missionaries. This will be an amazing moment that will motivate and challenge our students not only to love missions but to see the true impact of their giving!! They will see how one man that leaves a legacy can inspire a whole new generation to leave their own.

From now until then please motivate your youth to come ready to receive, give, and leave a legacy for those to come at this 2010 Youth Convention.

If you have any questions please contact me by e-mail or by phone.
